August 21, 2011.
2pm - 7pm

Dear Neighbors and Friends,

The Neffs Volunteer Fire Company would like to thank you for your generous support of the volunteer fire service during the past year. Once again we ask for your support of our annual fund drive.

We recognize our responsibility to provide the best fire protection to the residents and businesses to which we serve. We do that through many hours of training over the course of a year. Our department would not be as efficient as it is today without your financial support which enables the department to deploy modern equipment and professionally trained volunteers to respond in your time of need.

We realize that many of our residents and business owners are experiencing hard economic times but ask that you consider making your tax deductible donation to the Neffs Volunteer Fire Company a priority this year. The amounts listed below are only a recommendation. Any donation is greatly appreciated.

We continue to add and train new Firefighters as well as maintain the day-to-day operations of the company. New volunteers are always needed and we are always looking forward to anybody who wants to share their time and talents with their community. If you are interested in volunteering, just drop by and let us show you around. Our house is always open to you. If you think firefighting is not for you, we have other ways you can help.

For more information you may call us at 610-767-4784 or visit our website at www.neffsfire.com.

Volunteering to serve you through our dedication and hard work is our commitment to you and your loved ones in your time of need.

Thank you in advance for your continued support and generosity!
